Annual Review of National Wool Declaration

AWEX through the Industry Services Advisory Committee (ISAC) is commencing a review of the National Wool Declaration (NWD). The purpose of the review is to consider the initial release, content, extension and uptake of the NWD and how it is being received by industry stakeholders.

Industry stakeholders are invited to make a submission with respect to the review of the NWD. This is part of an annual review cycle to ensure that the NWD remains current and will be ready for the new 2009/2010 season. All stakeholders will be kept informed of the progress of this review.

ISAC invites written submissions from industry on any aspect of the NWD. When making a submission, please include the topic(s) and the background to the topic(s) to be considered.

All submissions must include the name and address of the author/organisation and must be lodged with AWEX by close of business on Wednesday 28th January 2009. Emails are welcome.

AWEX's Industry Services Advisory Committee will give due consideration to all submissions.
