## REMINDER

### Annual Review of National Wool Declaration

Industry stakeholders are reminded that AWEX, through the Industry Services Advisory Committee (ISAC), is undertaking a review of the National Wool Declaration (NWD). The review will give consideration to the initial release of the NWD, its content, extension and uptake, as well as how it is being received by all sectors of the industry.

To assist ISAC with its deliberations, industry stakeholders are invited to make a submission on any aspect of the NWD. The timing of this annual review will allow any possible changes to be implemented for the 2009/2010 selling season.

ISAC invites written submissions from industry on any aspect of the NWD. When making a submission, please include the topic(s) and the background of the topic to be considered.

***All submissions must include the name and address of the author/organisation and must be lodged with AWEX by close of business on Wednesday 28<sup>th</sup> January 2009. Emails are welcome.***
