## AWEX Wool Clearing Notice

### Countermarking

Pack-Tainers Sydney (PAKS) has recently noticed that they have been receiving numerous unmarked wool from various brokers into their store. This results in a long delay during the truck unloading process.

All brokers should be aware that PAKS do not accept any unmarked wool. Please ensure that at least a **SIM** is required to be shown on the bales even if the delivery order shows PAKS as the countermarking organisation.

For further information, please contact Suen Kuo on:
