# Members' update

This year the only significant change in the Rules is the introduction of a new category of registration: Masterclasser. Masterclasser is being offered for the first time and the Rules detail the criteria to qualify for Masterclasser registration as well as the criteria to maintain Masterclasser registration status.

The cost of registration this year will be:

Masterclasser (MC)	\$ 192.50	Professional (AW)	\$ 192.50
Owner Classer (OC)	\$ 154.00	Classer Associate (CA)	\$ 92.50

\*All fees include GST.

Registrations received after the 31<sup>st</sup> December 2009 will incur a late fee.

Once registered (payment received) the woolclasser will receive:

- Woolclassers Stencil,
- Woolclassers Stamp,
- 2010-2012 Code of Practice,
- Sheep Breed Compendium,
- Bale Description Poster,
- Standard Bale Preparation Poster.

The above woolclasser package of information will be produced in batches as the registrations arrive. This will minimise costs of production and postage. This year woolclassers will receive two (2) separate packages by post to minimise costs.

It is expected that once registered it will take approximately 4 weeks before each woolclasser receives their stencil, stamp and Code of Practice, etc.

For further information please contact AWEX Head Office or any of our regional offices.
