4 February 2011

## EDI Code Update

AWEX has completed an EDI code update to determine the currency of all AWEX-EDI codes recorded on the Wool Industry EDI codes file. We have been able to identify 39 codes as no longer required and 408 codes as still active.

As a part of the update all contact details for every code have been updated, subscribers are able to obtain the updated contact details by doing an Organisations Details download from the EDI Network.

For more information please contact

Nigel Stewart
