REMINDER National Wool Declaration (2011 Review)

The Australian Wool Exchange Limited (AWEX) wishes to remind wool industry stakeholders that the closing date for submissions for the 2011 Review of the National Wool Declaration (NWD) is **Close of Business on Friday 28th October 2011**.

AWEX's Industry Services Advisory Committee (ISAC) will conduct the review, with recommendations made to the AWEX Board. The timing of the review allows for any changes to be adopted into pipeline information systems for the 2012/13 wool selling season.

The review considers the content, extension and uptake of the NWD and how it is being received by industry stakeholders as well as the NWD – Integrity Program (i.e. desk audit, on farm inspections for Non Mulesed and Ceased Mulesing and the authentication of Pain Relief).

AWEX invites WRITTEN submissions from industry on any aspect of the NWD and its Integrity Program. When making a submission, please include the topic(s), the background to the topic(s) and any suggestions that may help enhance the NWD or its Integrity Program.

All submissions must include the name and address of the author/organisation and must be lodged with AWEX by Close of Business on Friday 28th October 2011. Email submissions are welcome.
